

## Schwab's Beacon Design System Submission Form

Please answer all questions with as much detail as possible to assist in design reviews.

1. What design stage is this in? (i.e. wireframe, round 2 design)

2. Is this a net new design or an update to an existing one?

Net new design

Update

3. What is your timeframe for needing design review? (average is 3-5 days depending on design complexity and stage)

4. What group or site is this pattern being developed for? (i.e. Charitable, CSIM, PSR, etc.)

5. Is there an existing similar pattern in the Schwab content management system? If so, describe.

6. What is the proposed benefit of adding this design? What is the user's goal and interaction related to this pattern?

8. Has any user testing or validation been performed? If so, please describe.

9. If you need special performance metrics, can you provide a plan to measure the pattern/component to assess performance?

10. Please provide user story or use cases for this pattern.

Prior to submitting your design, please ensure you have followed WCAG and [Schwab Accessibility guidelines](#) and is your design consistent with [Schwab Brand guidelines](#).

Please attach any images, Sketch files, wireframes, etc.

Ready to submit the design?
