Announcing the move to a new retirement plan service provider for the Nintendo retirement savings plans.

Nintendo is committed to helping you plan for your financial future. On February 1, 2019, we're moving to a new retirement plan service provider and recordkeeper, Schwab Retirement Plan Services, Inc. We worked diligently to ensure that our retirement plans, as well as our service provider, would offer retirement and savings resources to help you work toward your desired retirement destination.

Once your account has transferred, you will have access to:

- Retirement financial planning tools and resources
- A retirement plan website and mobile app¹ where you can check your account balance, request investment information, track performance, and more
- Participant Services Representatives who are available to assist you from 4 a.m. to 8 p.m. PT

Transition timing for the retirement plans.

You will soon receive more information about the transition.

December	Information and regulatory documents will be provided to you.
