Ladies and Gentlemen:

The Charles Schwab Corporation, a Delaware corporation (the “Company”), proposes, subject to the terms and conditions stated herein, to issue and sell to the several underwriters named in Schedule A hereto (the “Underwriters”), for whom you are acting as Representatives, \$600,000,000 aggregate principal amount of its 4.200% Senior Notes due 2025 (the “2025 Notes”) and \$500,000,000 aggregate principal amount of its 4.625% Senior Notes due 2030 (the “2030 Notes”) and, together with the 2025 Notes, the “Securities”). The Securities are described in the Prospectus that is referred to below.

The Securities are to be issued by the Company pursuant to the provisions of the Senior Indenture (the “Base Indenture”), dated as of June 5, 2009, as amended and supplemented by a thirteenth supplemental indenture, to be dated as of the Closing Date (together with the Base Indenture, the “Indenture”), between the Company and The Bank of New York Mellon Trust

Company, N.A., as trustee (the “Trustee”).

The Company has entered into an Agreement and Plan of Merger, dated as of November 24, 2019 (the “Merger Agreement”), with TD Ameritrade Holding Corporation, a Delaware corporation (“TD Ameritrade” which, together with its consolidated subsidiaries, shall be referred to herein as the “TD Ameritrade Entities”), and Americano Acquisition Corp., a Delaware corporation and wholly owned subsidiary of the Company.

The Company has prepared and filed, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “Act”), with the Securities and Exchange Commission (the “Commission”) an automatic shelf registration statement on Form S-3 (File No. 333-222063) under the Act (the “registration statement”), including a prospectus, which registration statement incorporates by reference documents which the Company has filed, or will file, in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the “Exchange Act”). Such registration statement has become effective under the Act.

Except where the context otherwise requires, “Registration Statement”, as used herein, means the registration statement, as amended at the time of such registration statement’s effectiveness for purposes of Section 11 of the Act, as such section applies to the respective Underwriters (the “Effective Time”), including (i) all documents filed as a part thereof or incorporated or deemed to be incorporated by reference therein, (ii) any information contained or incorporated by reference in a prospectus filed with the Commission pursuant to Rule 424(b) under the Act, to the extent such information is deemed, pursuant to Rule 430B or Rule 430C under the Act, to be part of the registration statement at the Effective Time, and (iii) any registration statement filed to register the offer and sale of Securities pursuant to Rule 462(b) under the Act.

The Company has furnished or made available to you, for use by the Underwriters and by dealers in connection with the offering of the Securities, copies of one or more preliminary prospectus supplements, and the documents incorporated by reference therein, relating to the Securities. Except where the context otherwise requires, “Pre-Pricing Prospectus”, as used herein, means each such preliminary prospectus supplement, in the form so furnished, including any basic prospectus (whether or not in preliminary form) furnished to you by the Company and attached to or used with such preliminary prospectus supplement. Except where the context otherwise requires, “Basic Prospectus”, as used herein, means any such basic prospectus attached to or used with the Prospectus Supplement (as defined below).

Except where the context otherwise requires, “Prospectus Supplement”, as used herein, means the final prospectus supplement, relating to the Securities, filed by the Company with the Commission pursuant to Rule 424(b) under the Act on or before the second business day after the date hereof (or such earlier time as may be required under the Act), in the form furnished by the Company to you for use by the Underwriters and by dealers in connection with the offering of the Securities.

Except where the context otherwise requires, “Prospectus”, as used herein, means the Prospectus Supplement together with the Basic Prospectus attached to or used with the

Prospectus Supplement.

“Permitted Free Writing Prospectuses”, as used herein, means the documents listed on Schedule B attached hereto and each “road show” (as defined in Rule 433 under the Act), if any, related to the offering of the Securities contemplated hereby that is a “written communication” (as defined in Rule 405 under the Act). Each Underwriter severally covenants and agrees with the Company that such Underwriter has not offered or sold and will not offer or sell, without the Company’s consent, any Securities by means of any “free writing prospectus” (as defined in Rule 405 under the Act) that is required to be filed by the Underwriters with the Commission pursuant to Rule 433 under the Act, other than a Permitted Free Writing Prospectus.

“Covered Free Writing Prospectuses”, as used herein, means (i) each “issuer free writing prospectus” (as defined in Rule 433(h)(1) under the Act), if any, relating to the Securities, which is not a Permitted Free Writing Prospectus and (ii) each Permitted Free Writing Prospectus.

“Disclosure Package”, as used herein, means any Pre-Pricing Prospectus together with any combination of one or more of the Permitted Free Writing Prospectuses, if any, as of the Applicable Time.

“Applicable Time” means 3:45 p.m., New York City time, on the date of this Agreement.

Any reference herein to the Registration Statement, any Basic Prospectus, any Pre-Pricing Prospectus, the Prospectus Supplement, the Prospectus or any Permitted Free Writing Prospectus shall be deemed to refer to and include the documents, if any, incorporated by reference, or deemed to be incorporated by reference, therein (the “Incorporated Documents”), including, unless the context otherwise requires, the documents, if any, filed as exhibits to such Incorporated Documents. Any reference herein to the terms “amend”, “amendment” or “supplement” with respect to the Registration Statement, any Basic Prospectus, any Pre-Pricing Prospectus, the Prospectus Supplement, the Prospectus or any Permitted Free Writing Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act on or after the initial effective date of the Registration Statement, or the date of such Basic Prospectus, such Pre-Pricing Prospectus, the Prospectus Supplement, the Prospectus or such Permitted Free Writing Prospectus, as the case may be, and deemed to be incorporated therein by reference.

As used in this Agreement, “business day” shall mean any day other than a day on which banks are permitted or required to be closed in New York City. The terms “herein”, “hereof”, “hereto”, “hereinafter” and similar terms, as used in this Agreement, shall in each case refer to this Agreement as a whole and not to any particular section, paragraph, sentence or other subdivision of this Agreement. The term “or”, as used herein, is not exclusive.

The Company and the Underwriters agree as follows:

1. Sale and Purchase. Upon the basis of the representations and warranties and subject to the terms and conditions herein set forth, the Company agrees to issue and sell to the respective Underwriters and each of the Underwriters, severally and not jointly, agrees to purchase from the Company the respective principal amount of Securities set forth opposite the name of such Underwriter in Schedule A attached hereto, subject to adjustment in accordance with Section 8

hereof, at a purchase price equal to 99.346% per 2025 Note and 99.208% per 2030 Note.

The Company is advised by you that the Underwriters intend (i) to make a public offering of their respective portions of the Securities as soon after the effectiveness of this Agreement as in your judgment is advisable and (ii) initially to offer the Securities upon the terms set forth in the Prospectus. You may from time to time increase or decrease the public offering price after the initial public offering to such extent as you may determine.

Each Underwriter, severally and not jointly, represents and agrees as set forth in Appendix A hereto.

2. Payment and Delivery. Payment of the purchase price for the Securities shall be made to the Company by Federal Funds wire transfer against delivery of the Securities to you through the facilities of The Depository Trust Company (“DTC”) for the respective accounts of the Underwriters. Such payment and delivery shall be made at 10:00 a.m., New York City time, on March 24, 2020 (such time being referred to herein as the “Time of Purchase”, and such date being referred to herein as the “Closing Date”) (unless another time shall be agreed to by you and the Company or unless postponed in accordance with the provisions of Section 8 hereof). Electronic transfer of the Securities shall be made to you at the Time of Purchase in such names and in such denominations as you shall specify.

Deliveries of the documents described in Section 6 hereof with respect to the purchase of the Securities shall be made at the offices of Simpson Thacher & Bartlett LLP at 425 Lexington Avenue, New York, New York, 10017, at 9:00 a.m., New York City time, on the Closing Date.

(d) if, at the time this Agreement is executed and delivered, it is necessary or appropriate for a post-effective amendment to the Registration Statement, or a Registration Statement under Rule 462(b) under the Act, to be filed with the Commission and become effective before the Securities may be sold, the Company will use its reasonable best efforts to cause such post-effective amendment or such Registration Statement to be filed and become effective, and will pay any applicable fees in accordance with the Act, as soon as possible; and the Company will advise you promptly and, if requested by you, will confirm such advice in writing, (i) when such post-effective amendment or such Registration Statement has become effective, and (ii) if Rule 430A under the Act is used, when the Prospectus is filed with the Commission pursuant to Rule 424(b) under the Act (which the Company agrees to file in a timely manner in accordance with such Rules);

(e) if, at any time during the period when a prospectus is required by the Act to be delivered (whether physically or through compliance with Rule 172 under the Act or any similar rule) in connection with the offering and sale of Securities, the Registration Statement shall cease to comply with the requirements of the Act with respect to eligibility for the use of the form on which the Registration Statement was filed with the Commission or the Registration Statement shall cease to be an "automatic shelf registration statement" (as defined in Rule 405 under the Act) or the Company shall have received, from the Commission, a notice, pursuant to Rule 401(g)(2), of objection to the use of the form on which the Registration Statement was filed with the Commission, to (i) promptly notify you, (ii) promptly file with the Commission a new registration statement under the Act, relating to the Securities, or a post-effective amendment to the Registration Statement, which new registration statement or post-effective amendment shall comply with the requirements of the Act and shall be in a form satisfactory to you, (iii) use its reasonable best efforts to cause such new registration statement or post-effective amendment to become effective under the Act as soon as practicable, (iv) promptly notify you of such effectiveness and (v) take all other action necessary or appropriate to permit the public offering and sale of the Securities to continue as contemplated in the Prospectus; all

(h) subject to Section 4(g) hereof, to file promptly all reports and documents and any preliminary or definitive proxy or information statement required to be filed by the Company with the Commission in order to comply with the Exchange Act for so long as a prospectus is required by the Act to be delivered (whether physically or through compliance with Rule 172 under the Act or any similar rule) in connection with any sale of the Securities; and to provide you, for your review and comment, with a copy of such reports and statements and other documents to be filed by the Company pursuant to Section 13, 14 or 15(d) of the Exchange Act during such period a reasonable amount of

The several obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company on the date hereof, the Applicable Time and the Closing Date and the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) The Company shall furnish to you at the Time of Purchase an opinion and negative assurance statement of Arnold & Porter Kaye Scholer LLP, special counsel for the Company, addressed to the Underwriters, and dated the Closing Date, with executed copies for each of the other Underwriters in the form set forth in Exhibit A hereto.

(b) The Company shall furnish to you at the Time of Purchase an opinion of the Office of Corporate Counsel of the Company, addressed to the Underwriters, and dated the Closing Date, with executed copies for each of the other Underwriters in the form set forth in Exhibit B hereto.

(c) You shall have received from each of Deloitte & Touche LLP and Ernst & Young LLP letters dated, respectively, the date of this Agreement and the Closing Date and addressed to the Underwriters (with executed copies for each of the Underwriters) in the forms satisfactory to you, which letters shall cover, without limitation, the various financial disclosures contained in the Registration Statement, the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any, with respect to the Company and TD Ameritrade, as the case may be.

(d) You shall have received at the Time of Purchase the written opinion and negative assurance statement of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, dated the Time of Purchase, in form and substance reasonably satisfactory to the Representatives.

(e) No Prospectus or amendment or supplement to the Registration Statement or the Prospectus shall have been filed to which you shall have objected in writing.

(f) The Registration Statement and any registration statement required to be filed, prior to the sale of the Securities, under the Act pursuant to Rule 462(b) shall have been filed and shall have become effective under the Act. The Prospectus Supplement shall have been filed with the Commission pursuant to Rule 424(b) under the Act at or

before 5:30 p.m., New York City time, on the second full business day after the date of this Agreement (or such earlier time as may be required under the Act). The final term sheet contemplated by Section 4(a) hereof, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433;

(g) Prior to and at the Time of Purchase, (i) no stop order with respect to the effectiveness of the Registration Statement shall have been issued under the Act or proceedings initiated under Section 8(d) or 8(e) of the Act; (ii) the Registration Statement and all amendments thereto shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (iii) none of the Pre-Pricing Prospectuses or the Prospectus, and no amendment or supplement thereto, shall include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading; (iv) the Disclosure Package and any amendment or supplement thereto, shall not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading; and (v) none of the Permitted Free Writing Prospectuses, if any, shall include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(h) The Company will at the Time of Purchase deliver to you a certificate of the Chief Financial Officer of the Company, dated the Closing Date, in the form attached as Exhibit C hereto.

(i) The Company shall have furnished to you such other documents and certificates as to the accuracy and completeness of any statement in the Registration Statement, any Pre-Pricing Prospectus, the Prospectus or any Permitted Free Writing Prospectus as of the Time of Purchase as you may reasonably request.

(j) FINRA shall not have raised any objection with respect to the fairness or reasonableness of the underwriting, or other arrangements of the transactions, contemplated hereby.

7. Effective Date of Agreement; Termination. This Agreement shall become effective when the parties hereto have executed and delivered this Agreement.

The obligations of the several Underwriters hereunder shall be subject to termination in the absolute discretion of the Representatives, if (1) since the time of execution of this Agreement or the earlier respective dates as of which information is given in the Registration Statement, the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any (in the case of the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any, exclusive of any amendment or supplement thereto), there has been any change or any development involving a prospective change in the business, properties, management, financial condition or results of operations of the Company and its subsidiaries taken

as a whole, the effect of which change or development is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any (in the case of the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any, exclusive of any amendment or supplement thereto), or (2) since the time of execution of this Agreement, there shall have occurred: (A) a suspension or material limitation in trading in securities generally on the NYSE, NYSE American LLC or the NASDAQ Stock Market; (B) a suspension or material limitation in trading in the Company's common stock on the NYSE; (C) a general moratorium on commercial banking activities declared by either federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (D) an outbreak or escalation of hostilities or acts of terrorism involving the United States or a declaration by the United States of a national emergency or war; or (E) any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (D) or (E), in your sole judgment, makes it impractical or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any (in the case of the Pre-Pricing Prospectuses, the Prospectus and the Permitted Free Writing Prospectuses, if any, exclusive of any amendment or supplement thereto), or (3) since the time of execution of this Agreement, there shall have occurred any downgrading, or any notice or announcement shall have been given or made of: (i) any intended or potential downgrading or (ii) any watch, review or possible change that does not indicate an affirmation or improvement in the rating accorded any securities of or guaranteed by the Company or any Significant Subsidiary by any "nationally recognized statistical rating organization", as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act.

If the Representatives elect to terminate this Agreement as provided in this Section 7, the Company and each other Underwriter shall be notified promptly in writing.

If the sale to the Underwriters of the Securities, as contemplated by this Agreement, is not carried out by the Underwriters for any reason permitted under this Agreement, or if such sale is not carried out because the Company shall be unable to comply with any of the terms of this Agreement, the Company shall not be under any obligation or liability under this Agreement (except to the extent provided in Sections 4(o), 5 and 9 hereof), and the Underwriters shall be under no obligation or liability to the Company under this Agreement (except to the extent provided in Section 9 hereof) or to one another hereunder.

8. Increase in Underwriters' Commitments. Subject to Sections 6 and 7 hereof, if any Underwriter shall default in its obligation to take up and pay for the Securities to be purchased by it hereunder (otherwise than for a failure of a condition set forth in Section 6 hereof or a reason sufficient to justify the termination of this Agreement under the provisions of Section 7 hereof) and if the aggregate principal amount of Securities which all Underwriters so defaulting shall have agreed but failed to take up and pay for does not exceed 10% of the total aggregate principal amount of Securities, the non-defaulting Underwriters (including the Underwriters, if any, substituted in the manner set forth below) shall take up and pay for (in addition to the principal amount of Securities they are obligated to purchase pursuant to Section 1 hereof) the principal

amount of Securities agreed to be purchased by all such defaulting Underwriters, as hereinafter provided. Such Securities shall be taken up and paid for by such non-defaulting Underwriters in such amount or amounts as you may designate with the consent of each Underwriter so designated or, in the event no such designation is made, such Securities shall be taken up and paid for by all non-defaulting Underwriters pro rata in proportion to the principal amount of Securities set forth opposite the names of such non-defaulting Underwriters in Schedule A.

Without relieving any defaulting Underwriter from its obligations hereunder, the Company agrees with the non-defaulting Underwriters that it will not sell any Securities hereunder unless all of the Securities are purchased by the Underwriters (or by substituted Underwriters selected by you with the approval of the Company or selected by the Company with your approval).

If a new Underwriter or Underwriters are substituted by the Underwriters or by the Company for a defaulting Underwriter or Underwriters in accordance with the foregoing provision, the Company or you shall have the right to postpone the Time of Purchase for a period not exceeding five business days in order that any necessary changes in the Registration Statement and the Prospectus and other documents may be effected.

The term "Underwriter" as used in this Agreement shall refer to and include any Underwriter substituted under this Section 8 with like effect as if such substituted Underwriter had originally been named in Schedule A hereto.

If the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed to purchase exceeds 10% of the total aggregate principal amount of Securities which all Underwriters agreed to purchase hereunder, and if neither the non-defaulting Underwriters nor the Company shall make arrangements within the five business day period stated above for the purchase of all the Securities which the defaulting Underwriter or Underwriters agreed to purchase hereunder, this Agreement shall terminate without further act or deed and without any liability on the part of the Company to any Underwriter and without any liability on the part of any non-defaulting Underwriter to the Company. Nothing in this paragraph, and no action taken hereunder, shall relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

9. Indemnity and Contribution.

(a) The Company agrees to indemnify, defend and hold harmless each Underwriter, its partners, directors and officers, and any person who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and any "affiliate" that sells Securities on behalf of such Underwriters, and the successors and assigns of all of the foregoing persons, from and against any loss, damage, expense, liability or claim (including the reasonable cost of investigation) which, jointly or severally, any such Underwriter or any such person may incur under the Act, the Exchange Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company) or arises out of or is

based upon any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as any such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information concerning such Underwriter, as set forth in Section 10 hereof, furnished in writing by or on behalf of such Underwriter through you to the Company expressly for use in, the Registration Statement or arises out of or is based upon any omission or alleged omission to state a material fact in the Registration Statement in connection with such information, which material fact was not contained in such information and which material fact was required to be stated in such Registration Statement or was necessary to make such information not misleading or (ii) any untrue statement or alleged untrue statement of a material fact included in any Prospectus (the term Prospectus for the purpose of this Section 9 being deemed to include any Basic Prospectus, any Pre-Pricing Prospectus, the Prospectus Supplement, the Prospectus and any amendments or supplements to the foregoing), in any Covered Free Writing Prospectus, in any "issuer information" (as defined in Rule 433 under the Act) of the Company, which "issuer information" is required to be, or is, filed with the Commission, or in any Prospectus together with any combination of one or more of the Covered Free Writing Prospectuses, if any, or arises out of or is based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except, with respect to such Prospectus or Permitted Free Writing Prospectus, insofar as any such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information concerning such Underwriter, as set forth in Section 10 hereof, furnished in writing by or on behalf of such Underwriter through you to the Company expressly for use in, such Prospectus or Permitted Free Writing Prospectus or arises out of or is based upon any omission or alleged omission to state a material fact in such Prospectus or Permitted Free Writing Prospectus in connection with such information, which material fact was not contained in such information and which material fact was necessary in order to make the statements in such information, in the light of the circumstances under which they were made, not misleading.

(b) Each Underwriter severally agrees to indemnify, defend and hold harmless the Company, its directors and officers and any person who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and the successors and assigns of all of the foregoing persons, from and against any loss, damage, expense, liability or claim (including the reasonable cost of investigation) which, jointly or severally, the Company or any such person may incur under the Act, the Exchange Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information concerning such Underwriter, as set forth in Section 10 hereof, furnished in writing by or on behalf of such Underwriter through you to the Company expressly for use in, the Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company), or arises out of or is based upon any omission or alleged omission to state a material fact in such Registration Statement in connection with such information, which material fact was not contained in such information and which material fact was required to be stated in such

Registration Statement or was necessary to make such information not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information concerning such Underwriter, as set forth in Section 10 hereof, furnished in writing by or on behalf of such Underwriter through you to the Company expressly for use in, a Prospectus or a Permitted Free Writing Prospectus, or arises out of or is based upon any omission or alleged omission to state a material fact in such Prospectus or such Permitted Free Writing Prospectus in connection with such information, which material fact was not contained in such information and which material fact was necessary in order to make the statements in such information, in the light of the circumstances under which they were made, not misleading.

(c) If any action, suit or proceeding (each, a “Proceeding”) is brought against a person (an “indemnified party”) in respect of which indemnity may be sought against the Company or an Underwriter (as applicable, the “indemnifying party”) pursuant to subsection (a) or (b), respectively, of this Section 9, such indemnified party shall promptly notify such indemnifying party in writing of the institution of such Proceeding and such indemnifying party shall assume the defense of such Proceeding, including the employment of counsel reasonably satisfactory to such indemnified party and payment of all fees and expenses; provided, however, that the omission to so notify such indemnifying party shall not relieve such indemnifying party from any liability which such indemnifying party may have to any indemnified party or otherwise. The indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such Proceeding or the indemnifying party shall not have, within a reasonable period of time in light of the circumstances, employed counsel to defend such Proceeding or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from, additional to or in conflict with those available to such indemnifying party (in which case such indemnifying party shall not have the right to direct the defense of such Proceeding on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by such indemnifying party and paid as incurred (it being understood, however, that such indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one Proceeding or series of related Proceedings in the same jurisdiction representing the indemnified parties who are parties to such Proceeding). The indemnifying party shall not be liable for any settlement of any Proceeding effected without its written consent but, if settled with its written consent, such indemnifying party agrees to indemnify and hold harmless the indemnified party or parties from and against any loss or liability by reason of such settlement. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second sentence of this Section 9(c), then the indemnifying party agrees that it shall be liable for any settlement of any Proceeding effected without its written consent if (i) such settlement is entered into more than 60 business days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall not have fully reimbursed the indemnified party in accordance with such request prior to the date of such settlement and (iii) such indemnified party shall

have given the indemnifying party at least 30 days' prior notice of its intention to settle. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened Proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such Proceeding and does not include an admission of fault or culpability or a failure to act by or on behalf of such indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to an indemnified party under subsections (a) and (b) of this Section 9 or insufficient to hold an indemnified party harmless in respect of any losses, damages, expenses, liabilities or claims referred to therein, then each applicable indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, damages, expenses, liabilities or claims (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such losses, damages, expenses, liabilities or claims, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the total proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by the Company, and the total underwriting discounts and commissions received by the Underwriters, bear to the aggregate public offering price of the Securities. The relative fault of the Company on the one hand and of the Underwriters on the other shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, damages, expenses, liabilities and claims referred to in this subsection shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating, preparing to defend or defending any Proceeding.

(e) The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in subsection (d) above. Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by such Underwriter and distributed to the public were offered to the public exceeds the amount of any damage which such Underwriter has otherwise been required to pay by reason of such untrue statement or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent

misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 9 are several in proportion to their respective underwriting commitments and not joint.

(f) The indemnity and contribution agreements contained in this Section 9 and the covenants, warranties and representations of the Company contained in this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of any Underwriter, its partners, directors or officers or any person (including each partner, officer or director of such person) who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, or by or on behalf of the Company, its directors or officers or any person who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and shall survive any termination of this Agreement or the issuance and delivery of the Securities. The Company and each Underwriter agree promptly to notify each other of the commencement of any Proceeding against it and, in the case of the Company, against any of the Company's officers or directors in connection with the issuance and sale of the Securities, or in connection with the Registration Statement, any Basic Prospectus, any Pre-Pricing Prospectus, the Prospectus or any Permitted Free Writing Prospectus.

10. Information Furnished by the Underwriters. The statements set forth in the fourth, seventh, eighth and tenth paragraphs under the caption "Underwriting" in the Prospectus Supplement, only insofar as such statements relate to the amount of selling concession and reallowance, stabilization or hedging activities that may be undertaken by the Underwriters, constitute the only information furnished by or on behalf of the Underwriters, as such information is referred to in Sections 3 and 9 hereof.

11. Notices. 12. Governing Law; Construction. This Agreement and any claim, counterclaim or

dispute of any kind or nature whatsoever arising out of or in any way relating to this Agreement (“Claim”), directly or indirectly, shall be governed by, and construed in accordance with, the laws of the State of New York. The section headings in this Agreement have been inserted as a matter of convenience of reference and are not a part of this Agreement.

13. Submission to Jurisdiction. Except as set forth below, no Claim may be commenced, prosecuted or continued in any court other than the courts of the State of New York located in the City and County of New York or in the United States District Court for the Southern District of New York, which courts shall have jurisdiction over the adjudication of such matters, and the Company consents to the jurisdiction of such courts and personal service with respect thereto. The Company hereby consents to personal jurisdiction, service and venue in any court in which any Claim arising out of or in any way relating to this Agreement is brought by any third party against any Underwriter or any indemnified party. Each Underwriter and the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates) waive all right to trial by jury in any action, proceeding or counterclaim (whether based upon contract, tort or otherwise) in any way arising out of or relating to this Agreement. The Company agrees that a final judgment in any such action, proceeding or counterclaim brought in any such court shall be conclusive and binding upon the Company and may be enforced in any other courts to the jurisdiction of which the Company is or may be subject, by suit upon such judgment.

14. Parties at Interest. The Agreement herein set forth has been and is made solely for the benefit of the Underwriters and the Company and, to the extent provided in Section 9 hereof, the controlling persons, partners, directors and officers and affiliates referred to in such Section, and their respective successors, assigns, heirs, personal representatives and executors and administrators. No other person, partnership, association or corporation (including a purchaser, as such purchaser, from any of the Underwriters) shall acquire or have any right under or by virtue of this Agreement.

15. No Fiduciary Relationship. The Company hereby acknowledges that the Underwriters are acting solely as underwriters in connection with the purchase and sale of the Securities. The Company further acknowledges that the Underwriters are acting pursuant to a contractual relationship created solely by this Agreement entered into on an arm’s length basis, and in no event do the parties intend that the Underwriters act or be responsible as a fiduciary to the Company, its management, stockholders or creditors or any other person in connection with any activity that the Underwriters may undertake or have undertaken in furtherance of the purchase and sale of the Securities, either before or after the date hereof. The Underwriters hereby expressly disclaim any fiduciary or similar obligations to the Company, either in connection with the transactions contemplated by this Agreement or any matters leading up to such transactions, and the Company hereby confirms its understanding and agreement to that effect. The Company and the Underwriters agree that they are each responsible for making their own independent judgments with respect to any such transactions and that any opinions or views expressed by the Underwriters to the Company regarding such transactions, including, but not limited to, any opinions or views with respect to the price or market for any of the Company’s securities, do not constitute advice or recommendations to the Company. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Underwriters with respect to any breach or alleged breach of any fiduciary or similar duty to the Company in connection with the

transactions contemplated by this Agreement or any matters leading up to such transactions.

16. Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of the Underwriters' respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

17. Counterparts. This Agreement may be signed by the parties in one or more counterparts which together shall constitute one and the same agreement among the parties. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

18. Successors and Assigns. This Agreement shall be binding upon the Underwriters and the Company and their successors and assigns and any successor or assign of any substantial portion of the Company's and any of the Underwriters' respective businesses and/or assets.

19. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

For purposes of this Section 19, a “BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k). “Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b). “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable. “U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

(15) One or more certificates provided to us by one or more officers of the Company (the “**Officers’ Certificates**”).

The documents described in (1) through (3) above are referred to hereafter as the “**Transaction Agreements.**”

In rendering the opinions set forth below, we have assumed the legal capacity of individuals, that the signatures on all documents not executed in our presence are genuine, that all documents submitted to us as originals are authentic, that all documents submitted to us as reproduced or certified copies conform to the original documents, that all Company Contracts filed with the Commission conform to the original documents, that all corporate records of the Company and the Significant Subsidiaries provided to us for review are accurate and complete, and that any reviews and searches of public records obtained by us are accurate and complete. We have further assumed that each of the parties to the Transaction Agreements other than the Company is duly qualified to engage in the transactions contemplated by the Transaction Agreements; that the Transaction Agreements have been duly authorized, executed, and delivered by, and constitute the valid and binding obligations of, each of the parties thereto other than the Company, and are enforceable against the parties thereto other than the Company in accordance with their respective terms; that the parties to the Transaction Agreements other than the Company have the requisite power and authority to perform their respective obligations under the Transaction Agreements executed and delivered by them; and that there are no documents, agreements or understandings among or between any parties to the Transaction Agreements or others that would modify the respective rights and obligations of such parties as set forth in the Transaction Agreements or that otherwise would have an effect on the opinions rendered below.

As to matters of fact material to our opinions, we have relied solely upon our review of the documents referred to in the second paragraph of this letter, and upon oral advice from the staff of the Commission and information made available by the Commission on its website. We have assumed that the recitals of fact and the representations and warranties of all parties as to factual matters set forth in the documents referred to above are true, complete and correct on the date hereof. We have not independently verified any factual matters or the validity of any assumptions made by us in this letter, and we express no opinion or belief, and disclaim any implication or inference, as to the reasonableness of any such assumption.

For purposes of this opinion letter, we have considered only Applicable Laws (as defined herein). “**Applicable Laws**” means those laws, statutes, rules and regulations of the United States of America and the State of California presently in effect that, in our experience, are normally applicable to transactions of the kind contemplated by the Transaction Agreements (collectively, “**California Law**”) and the Delaware General Corporation Law; provided, however, that with respect to execution and delivery of the Underwriting Agreement, “Applicable Laws” means California Law, to the extent such execution and delivery are governed by California Law, those laws, statutes, rules and regulations of the United States of America and the State of New York presently in effect that, in our experience, are normally applicable to transactions of the kind contemplated by the Underwriting Agreement (collectively, “**New York Law**”), to the extent such execution and delivery are governed by New York Law, and the Delaware General Corporation Law, to the extent such execution and delivery are governed by the Delaware General Corporation Law. Without suggesting that any of the following might otherwise be applicable to transactions of the kind contemplated by the Transaction Agreements, “Applicable Laws” specifically does not include, among other laws, the following “**Excluded Laws**”: any laws, statutes, ordinances, rules, regulations, decisions or administrative interpretations (a) of any county, locality or municipality,

(b) pertaining to taxes (except United States federal income tax law for purposes of paragraph 12 below); securities (except the Securities Act for purposes of paragraphs 5 through 9 below, the Trust Indenture Act for purposes of paragraph 10 below, and the Investment Company Act for purposes of paragraph 11 below); the regulation of banks, thrifts, savings and loan associations or any similar entity that is engaged in the business of lending as one of its principal business activities, or holding companies of any of the foregoing; labor, employee or management relations; money laundering; privacy; environment; health and safety; trade regulation; franchising; antitrust; intellectual property; unfair competition; or pension, retirement, deferred compensation or any other employee benefits, including ERISA, (c) relating to choice of law or conflicts of law and/or (d) to which the transactions are or may be subject because of the legal or regulatory status of any person other than the Company or because of any facts pertaining to any such person. Although Excluded Laws may apply to the Transaction Agreements (or performance under any of them), we express no opinion with respect to the effect of Excluded Laws on the matters involved in the opinions set forth herein.

Whenever an opinion herein is qualified by the phrase “known to us,” “to our knowledge,” “of which we are aware,” or any similar phrase, we intend to indicate that during the course of our representation of the Company, no information has come to the attention of those attorneys currently employed by this law firm who have rendered legal services to the Company in connection with substantive legal matters that would give such attorneys actual knowledge of the inaccuracy of such opinions. We have not undertaken or conducted any independent investigation to determine the accuracy of opinions herein qualified as described in the preceding sentence, and any limited inquiry undertaken by us during the preparation of this opinion letter should not be regarded as such an investigation; no inference as to our knowledge of any matters bearing on the accuracy of any such opinion should be drawn from the fact of our representation of the Company. Further, we call to your attention that the Company is a holding company for, and therefore engages directly or indirectly in, multi-faceted and complex businesses, and that we have not represented the Company in connection with all of its business activities. Accordingly, our actual knowledge typically does not extend to or encompass any matter or issue as to which we have not advised the Company.

The opinions set forth below are subject to the following:

(i) The factual basis for our opinions in paragraph 1 below is based solely on our review of the Charters, the Minute Books, the Good Standing Certificates and the Officers’ Certificates;

(ii) Our opinions in paragraph 3, clauses (c) and (d), below are based solely upon an examination of the Company Contracts. We have made no further investigation. With regard to the Company Contracts, we have assumed with respect to each Company Contract that such Company Contract would be interpreted in accordance with its plain meaning and that it is governed by the substantive laws of the State of California (without regard to conflicts-of-law and choice-of-law principles), even though the terms of such Company Contract may provide that the law of a jurisdiction other than California is the governing law of such Company Contract. We express no opinion as to any statement or writing that may constitute parol evidence bearing on

interpretation or construction of any Company Contract. Further, to the extent that any of the Company Contracts contain any financial covenants, provisions relating to the occurrence of a “material adverse effect” or similar provisions, for purposes of our opinions in paragraph 3, clauses (c) and (d) below, we have relied solely on the Officers’ Certificates as to (i) the Company’s compliance with any and all such financial covenants and provisions, and (ii) the conclusion that the execution, delivery and performance by the Company of its obligations under the Underwriting Agreement and the Indenture do not, under any such financial covenants or provisions, constitute a default or result in the imposition of a lien or encumbrance, and we have undertaken no investigation or analysis, nor conducted any financial computations, with respect thereto;

(iii) Our opinion in the second sentence of paragraph 6 below is based solely upon our review of the information made available by the Commission at <http://www.sec.gov/litigation/stoporders.shtml> as of 7:25 am on March 20, 2020;

(iv) We have assumed that the Securities have been duly authenticated and delivered by the Trustee;

(v) Except to the limited extent set forth in paragraphs 8 and 9 below, we express no opinion whatsoever as to the compliance or noncompliance by any person with antifraud or information delivery provisions of state or federal laws, rules and regulations;

(vi) We express no opinion regarding the rights or remedies available to any party for material violations or breaches that are the proximate result of actions taken by any party other than the party against whom enforcement is sought; and

(vii) Our opinion in paragraph 12 below is subject to the facts, assumptions and conditions set forth in the Preliminary Prospectus Supplement and the Final Prospectus Supplement and is limited to the United States federal income tax matters discussed under the heading referred to in that paragraph. Our opinion referred to in paragraph 12 is based on the United States Internal Revenue Code of 1986, as amended, Treasury Regulations (in final, proposed and temporary form), Internal Revenue Service (“IRS”) rulings and pronouncements, cases and other interpretative authority as they exist on the date of the Preliminary Prospectus Supplement and the Final Prospectus Supplement, respectively. To the extent that we have examined and relied upon authorities that may not be cited as precedent by taxpayers other than those to whom such authorities were addressed, we have assumed for purposes of this opinion that such authorities nevertheless accurately reflect the policy and practice of the IRS with respect to the subject matter thereof and will be followed by the IRS with respect to the documents and transactions that are the subject of our opinion below. These authorities are all subject to change, possibly with retroactive effect. We can give no assurance that, after such change, our opinion would not be different. We undertake no responsibility to advise any person of any change in law subsequent to the date hereof if any applicable laws change after the date hereof or if we become aware of any facts that might change the opinion expressed herein after the date hereof.

Based upon the foregoing, and subject to the assumptions, exceptions, limitations and qualifications stated herein, we are of the opinion that:

1. Each of the Company, Holdings and CSIM is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. CS & Co. is a corporation duly incorporated, validly existing and in good standing under the laws of the State of California. The Company is qualified to do business as a foreign corporation in the State of California. CS & Co. is qualified to do business as a foreign corporation in the states of Arizona, Colorado, Florida, Illinois, Indiana, New Jersey, New York, Pennsylvania, Texas and Washington.

2. Each of the Company and the Significant Subsidiaries has the corporate power and corporate authority to own or lease its properties and assets and to conduct its business as described in the Disclosure Package and the Prospectus. The Company has the corporate power and corporate authority to execute, deliver and perform its obligations under the Underwriting Agreement. The Company's execution, delivery and performance of its obligations under the Transaction Agreements have been duly authorized by all necessary corporate action on the part of the Board of Directors of the Company.

The execution, delivery and performance by the Company of its obligations under the Underwriting Agreement and the Indenture on the date hereof in accordance with their respective terms and the issuance and sale of the Securities do not (a) violate the Charters or the Bylaws, (b) violate any judgment, writ, decree or order of any court to which the Company is named as a party and of which we are aware, (c) constitute a default by the Company or any Significant Subsidiary under any Company Contract, or (d) result in the imposition of a lien or encumbrance on any material properties of the Company or of any Significant Subsidiary pursuant to any Company Contract. The execution and delivery by the Company of the Underwriting Agreement and the execution, delivery and performance by the Company of its obligations under the Indenture on the date hereof in accordance with their respective terms, do not violate any Applicable Law, provided, however, that the foregoing opinion, insofar as it pertains to performance, is subject to the same limitations, qualifications and exceptions set forth in paragraph 4 below.

Each of the Transaction Agreements has been duly executed and delivered by the Company. Upon payment in full for and delivery of the Securities in accordance with the terms of the Underwriting Agreement, each of the Indenture and the Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, in each case except as the validity, binding nature or enforceability of the same may be limited by:

(a) applicable federal or state bankruptcy, insolvency, reorganization, arrangement, moratorium, fraudulent transfer or conveyance, and other laws or court decisions relating to or affecting the rights of creditors;

(b) equitable principles of general applicability (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, equitable subordination, and the possible unavailability of specific performance or injunctive relief), regardless of whether considered in a proceeding in equity or at law or whether codified by statute;

(c) California judicial decisions which have held that certain provisions of agreements are unenforceable under circumstances where it cannot be demonstrated that the enforcement of such provisions is reasonably necessary for the protection of the party seeking enforcement, has been undertaken in good faith under the circumstances then existing and is commercially reasonable;

(d) the effect of Section 1670.5 of the California Civil Code, which provides that a court may refuse to enforce a contract or limit the application thereof or any clause thereof which the court finds as a matter of law to have been unconscionable at the time it was made;

(e) the unenforceability, under certain circumstances, of provisions that contain prospective waivers of (i) vaguely or broadly stated rights, (ii) unknown future rights, (iii) the benefits of statutory, regulatory or constitutional rights, unless and to the extent the statute, regulation or constitution explicitly permits such waiver, (iv) unknown future defenses and (v) rights to damages;

(f) the unenforceability, under certain circumstances, of provisions of agreements to the effect that rights or remedies are not exclusive, that every right or remedy is cumulative and may be exercised in addition to or with any other right or remedy, or that the election of some particular remedy or remedies does not preclude recourse to one or another remedy;

(g) limitations on the enforceability of indemnification, release, contribution, exculpatory or nonliability provisions under federal or state securities laws, under Sections 1542, 1543 and 2772-78 of the California Civil Code, and under any other applicable statutes or court decisions, including, without limitation, the effect of California statutes and cases applying such statutes which have denied enforcement of indemnification agreements against the indemnitee's negligence, wrongdoing or violation of law;

(h) the effect of Section 631(d) of the California Code of Civil Procedure, which provides that a court may, in its discretion upon just terms, allow a trial by jury although there may have been a waiver of trial by jury;

(i) the effect of Grafton Partners L.P. v. Superior Court, 36 Cal.4th 944, 2005 WL 1831995 (Cal. 2005), in which the California Supreme Court held that predispute contractual waivers of jury trials are invalid;

(j) the unenforceability, under certain circumstances, of provisions purporting to govern forum selection, venue selection, personal jurisdiction or subject matter jurisdiction;

(k) the unenforceability of provisions prohibiting waivers that are not in writing to the extent that Section 1698 of the California Civil Code (or similar provisions of other applicable laws) permits oral modifications that have been performed;

(l) the effect of Section 1717, et seq. of the California Civil Code and judicial decisions thereunder on provisions which purport to require the award of attorneys' fees, expenses or costs;

(m) the unenforceability of provisions concerning offsets, self-help or summary remedies, to the extent that enforcement of such provisions is determined by a court to be unreasonable under then existing circumstances;

(n) the unenforceability, under certain circumstances, of provisions which provide for penalties, late charges, additional interest in the event of a default or fees or costs related to such charges in view of the factual determinations required under California law and the evaluation of late payments or liquidated damages provisions;

(o) the unenforceability of provisions that purport to appoint a party as attorney-in-fact for an adverse party;

(p) without limiting the generality of subparagraph (e) above, the effect of Union Bank v. Gradsky, 265 Cal.App.2d 40 (1968), and Cathay Bank v. Lee, 14 Cal. App. 4th 1533 (1993) and their progeny, which impose certain limitations upon the effectiveness of waivers;

(q) the effect of Section 564 of the California Code of Civil Procedure and other provisions of California law which impose certain restrictions on the enforceability of provisions that provide for the appointment of a receiver; and

(r) the effect of Section 23301, et seq. of the California Revenue and Taxation Code, which provides that a party to a contract may, under certain circumstances, void the contract if the other party (irrespective of the jurisdiction of organization or domicile of such other party) fails to file any required California tax returns and/or pay any required California franchise or income taxes.

No consent, approval or authorization of, or designation, declaration or filing with, any Delaware, California or federal governmental authority is required by the Company under any Applicable Law in connection with the execution, delivery and performance by the Company of its obligations under the Transaction Agreements in accordance with their respective terms, other than (i) those that have already been obtained and are in full force and effect and (ii) those that are required or permitted to be obtained after the date hereof (except that we express no opinion with respect to any consent, approval, authorization, designation, declaration or filing required under the state securities or “blue sky” laws of the various jurisdictions in which the Securities are being offered by the Underwriters, and we express no opinion with respect to the Conduct Rules of the Financial Industry Regulatory Authority).

The Registration Statement has become effective under the Securities Act. To our knowledge, no stop order suspending the effectiveness of the Registration Statement or any part thereof has been issued and no proceedings for that purpose are pending under the Securities Act. The Preliminary Prospectus Supplement and the Final Prospectus Supplement were filed with the Commission pursuant to Rule 424(b) under the Securities Act.

The Registration Statement (including, for the avoidance of doubt, the Pre-Pricing Prospectus and the Prospectus) appears on its face to be responsive as to form in all material

respects to all applicable requirements of the Securities Act (including without limitation Section 10(a) of the Securities Act), provided, however, that we express no view as to any financial statements, schedules and notes and other financial and statistical information derived therefrom and included therein.

The statements contained in the Preliminary Prospectus Supplement and the Final Prospectus Supplement under the captions “Description of the notes,” and the statements contained in the Basic Prospectus under the caption “Description of Debt Securities,” insofar as such statements purport to constitute summaries of certain terms of documents referred to therein or summaries of matters of law, constitute in all material respects accurate summaries of such terms or matters, as the case may be.

Re: **Underwritten Public Offering of \$[●] of [●]% Senior Notes due [●] [and \$[●] of [●]% Senior Notes due [●]] of The Charles Schwab Corporation**

Ladies and Gentlemen:

I am Vice President and Associate General Counsel of The Charles Schwab Corporation, a Delaware corporation (the “Company”).

This opinion is rendered to you at the request of the Company pursuant to Section 6(b) of the Underwriting Agreement dated March [●], 2020 (the “Agreement”), by and among you and the Company regarding the purchase by you of \$[●] principal amount of [●]% Senior Notes due [●] [and \$[●] principal amount of [●]% Senior Notes due [●]] of The Charles Schwab Corporation. Capitalized terms used, but not defined herein, have the same meanings given them in the Agreement.

I have examined the Company's Registration Statement on Form S-3 (File No. 333-222063) (the "Registration Statement"), the Prospectus Supplement, the Disclosure Package, the Company's annual report on Form 10-K for the fiscal year ended December 31, 2019, the Company's current report on Form 8-K filed on March 20, 2020 and the Company's definitive proxy statement on Schedule 14A filed on March 29, 2019 (portions thereof incorporated by reference in Part III of the annual report on Form 10-K for the fiscal year ended December 31, 2018 only).

In addition, I have examined the certificates of incorporation and bylaws of the Company, Charles Schwab & Co., Inc. ("Schwab"), Schwab Holdings, Inc. ("Schwab Holdings"), Charles Schwab Investment Management, Inc. ("CSIM"), and Charles Schwab Bank, SSB ("Schwab Bank"), and such corporate records, certificates and other documents (of which I am aware) and such questions of law as I have considered necessary or appropriate for the purposes of rendering the opinions that follow.

In giving the opinions that follow I have relied as to matters of fact without investigation, to the extent I deemed proper, upon certificates from officers of the Company and certain of its affiliates, and certificates, facsimiles, and other documents from, and oral conversations with, public officials. I have assumed without investigation the authenticity of each document submitted to me as an original, the conformity to the originals of each document submitted to me as a copy, the authenticity of the originals of such latter documents, the genuineness of all signatures, and the legal capacity of all natural persons.

Based on and subject to the foregoing, it is my opinion that:

1. Schwab Bank is a state savings bank under the supervision of the Texas Department of Savings and Mortgage Lending.
2. Each of Schwab, Schwab Holdings, Schwab Bank and CSIM is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualifications, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and its subsidiaries, taken as a whole.
3. To my knowledge after due inquiry, there are no legal or governmental proceedings pending or threatened to which the Company or any of its subsidiaries is a party or to which any of the properties of the Company or any of its subsidiaries is subject that are required to be described in the Registration Statement, the Pre-Pricing Prospectus or the Prospectus, and are not so described.

This opinion is dated as of March [●], 2020 ("Opinion Date"). The opinions expressed herein are given as of the Opinion Date only, and are not given as of any later date. I have not undertaken any factual or legal investigation beyond the Opinion Date, and I disclaim any obligation to notify you or any other person after the Opinion Date if any change in fact and/or law should change my opinion with respect to any matters set forth herein.

I am a member of the bar of the State of California. I express no opinion as to any laws of any other jurisdiction other than the federal laws of the United States to the extent applicable to

the scope of the opinions expressed above. Further, I express no opinion regarding choice of law or conflicts of laws.

This opinion is rendered to you as Underwriters under the Agreement and may not be relied upon for any other purpose or by any other person without my express written consent.

Very truly yours,

R. Scott McMillen
Vice President and Associate General Counsel

THE NOTES

Section 3.01 Amount; Series; Terms.

(a) There are hereby created and designated two series of Securities under the Base Indenture: the title of the 2025 Notes shall be “4.200% Senior Notes Due 2025” and the title of the 2030 Notes shall be “4.625% Senior Notes Due 2030”. (b) The aggregate principal amount of 2025 Notes that initially may be authenticated and delivered under this Supplemental Indenture shall be limited to \$600,000,000, and the aggregate principal amount of 2030 Notes that initially may be authenticated and delivered under this Supplemental Indenture shall be limited to \$500,000,000, each subject to increase as set forth in Section 3.04 of this Supplemental Indenture.

(f) Each series of Notes will be issued in the form of one or more Global Securities, duly executed by the Company and authenticated by the Trustee as provided in Section 3.03 of this Supplemental Indenture and the Base Indenture and deposited with the Trustee as custodian for the Depositary or its nominee.

(b) On or after September 24, 2020, and prior to February 24, 2025, the 2025 Notes shall be redeemable, as a whole or in part, at the Company's option, on at least 10 days, but not more than 60 days, prior notice electronically delivered or mailed to each registered Holder of the 2025 Notes to be redeemed, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the 2025 Notes to be redeemed, or (ii) as determined by the Quotation Agent, the sum of the present values of the remaining scheduled payments of interest and principal thereon (exclusive of interest accrued and unpaid to, but not including, the Redemption Date) discounted to the Redemption Date on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 50 basis points, plus, in either case, accrued and unpaid interest to, but not including, the Redemption Date for such 2025 Notes; provided, however, if the Redemption Date is after a 2025 Regular Record Date and on or prior to a corresponding Interest Payment Date, such accrued and unpaid interest will be paid on the Redemption Date to the holder of record on the 2025 Regular Record Date.

(c) On or after February 24, 2025, the 2025 Notes shall be redeemable, as a whole or in part, at the Company's option, on at least 10 days, but not more than 60 days, prior notice electronically delivered or mailed to each registered Holder of the 2025 Notes to be redeemed, at a Redemption Price (calculated by the Company) equal to 100% of the principal amount of the 2025 Notes to be redeemed plus accrued and unpaid interest to, but not including, the Redemption Date for such 2025 Notes.

(d) On or after September 24, 2020 and prior to December 22, 2029, the 2030 Notes shall be redeemable, as a whole or in part, at the Company's option, on at least 10 days, but not more than 60 days, prior notice electronically delivered or mailed to each registered Holder of the 2030 Notes to be redeemed, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the 2030 Notes to be redeemed, or (ii) as determined by the Quotation Agent, the sum of the present values of the remaining scheduled payments of interest and principal thereon (exclusive of interest accrued and unpaid to, but not including, the Redemption Date) discounted to the Redemption Date on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 50 basis points, plus, in either case, accrued and unpaid interest to, but not including, the Redemption Date for such 2030 Notes; provided, however, if the Redemption Date is after a 2030 Regular Record Date and on or prior to a corresponding Interest Payment Date, such accrued and unpaid interest will be paid on the Redemption Date to the holder of record on the 2030 Regular Record Date.

(e) On or after December 22, 2029, the 2030 Notes shall be redeemable, as a whole or in part, at the Company's option, on at least 10 days, but not more than 60 days, prior notice electronically delivered or mailed to each registered Holder of the 2030 Notes to be redeemed, at a Redemption Price (calculated by the Company) equal to 100% of the principal amount of the 2030 Notes to be redeemed plus accrued and unpaid interest to, but not including, the Redemption Date for such 2030 Notes.

(f) On and after the Redemption Date for the applicable series of Notes to be redeemed, interest will cease to accrue on such Notes or any portion thereof called for redemption, unless the Company defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for such Notes, the Company shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the applicable series of Notes to be redeemed on the Redemption Date, and accrued and unpaid interest, if any, on such Notes. If less than all of the applicable series of Notes are to be redeemed, such Notes to be redeemed shall be selected in accordance with the procedures of the Depositary; provided, however, that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

(g) Notice of any redemption shall be electronically delivered or mailed at least 10 days but not more than 60 days before the Redemption Date to each Holder of the applicable series of Notes to be redeemed; provided, however, that if the Trustee is asked to give such notice it shall be notified in writing of such request at least 5 days prior to the date of the giving of such notice (unless a shorter notice shall be satisfactory to the Trustee). Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as described above in clause (b) or (c) in the case of the 2025 Notes, or in clause (d) or (e) in the case of the 2030 Notes shall be set forth in an Officer's Certificate of the Company delivered to the Trustee no later than two Business Days prior to the Redemption Date. 1. Interest.

The Charles Schwab Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from and including March 24, 2020. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. Interest will be payable to the Holder of record on the Regular Record Date, provided, however, interest payable on the Stated Maturity will be paid to the person to whom the principal will be payable. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, commencing September 24, 2020. If any Interest Payment Date, Redemption Date or the Stated Maturity of the Notes is not a Business Day, then the related payment of interest and/or principal payable, as applicable, on such date will be paid on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date, Redemption Date or Stated Maturity and no further interest will accrue as a result of such delay. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand by the Trustee pursuant to Section 5.3 of the Base Indenture (defined below) at the rate borne by the Notes and on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful.

2. Paying Agent.

Initially, The Bank of New York Mellon Trust Company, N.A. (the “**Trustee**”) will act as paying agent (the “**Paying Agent**”). The Issuer may change any paying agent without notice to the Holders.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Securities of all series affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected thereby (voting together as a single class). The Indenture contains provisions permitting the Holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding with respect to which an Event of Default under the Indenture shall have occurred and be continuing (voting together as a single class), on behalf of the Holders of all Securities of such affected series, to waive, with certain exceptions, such past default with respect to all such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the Securities of each series at the time Outstanding affected thereby (voting together as a single class), on behalf of the Holders of all Securities of such affected series, to waive compliance by the Issuer with certain provisions of the Indenture. principal amount of the Notes to be redeemed, or (ii) as determined by the Quotation Agent, the sum of the present values of the remaining scheduled payments of interest and principal thereon (exclusive of interest accrued and unpaid to, but not including, the Redemption Date) discounted to the Redemption Date, on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), at a rate equal to the sum of the Treasury Rate plus 50 basis points, plus, in either case, accrued interest thereon to, but not including, the Redemption Date; provided, however, if the Redemption Date is after a Regular Record Date and on or prior to a corresponding Interest Payment Date, such accrued and unpaid interest will be paid on the Redemption Date to the holder of record on the Regular Record Date.

If any or all of the Notes are redeemed on or after February 24, 2025, the Redemption Price (calculated by the Company) will be equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest to, but not including, the Redemption Date for such Notes.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date, and accrued and unpaid interest, if any, on such Notes. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected in accordance with the procedures of the Depositary; provided, however, that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 10 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed; provided, however, that if the Trustee is asked to give such notice it shall be notified in writing of such request at least 5 days prior to the date of the giving of such notice (unless a shorter notice shall be satisfactory to the Trustee). Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as described above, shall be set forth in an Officer's Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date.

7. Defaults and Remedies.

If an Event of Default with respect to Notes at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities of all affected series then Outstanding (voting together as a single class) may declare the principal amount of all the Securities of the affected series to be due and payable immediately, by a notice in writing to the Issuer (and to

Table of Contents

the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) of and the accrued interest on all the Securities of such affected series shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Securities of all affected series (voting together as a single class) at the time Outstanding, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series.

8. Authentication.

This Note shall not be valid until the Trustee manually or by facsimile signs the certificate of authentication on this Note.

1. Interest.

The Charles Schwab Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from and including March 24, 2020. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. Interest will be payable to the Holder of record on the Regular Record Date, provided, however, interest payable on the Stated Maturity will be paid to the person to whom the principal will be payable. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, commencing September 22, 2020. If any Interest Payment Date, Redemption Date or the Stated Maturity of the Notes is not a Business Day, then the related payment of interest and/or principal payable, as applicable, on such date will be paid on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date, Redemption Date or Stated Maturity and no further interest will accrue as a result of such delay. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand by the Trustee pursuant to Section 5.3 of the Base Indenture (defined below) at the rate borne by the Notes and on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful.

2. Paying Agent.

Initially, The Bank of New York Mellon Trust Company, N.A. (the “**Trustee**”) will act as paying agent (the “**Paying Agent**”). The Issuer may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 4.625% Senior Notes due 2030 (the “**Notes**”) issued under the Senior Indenture dated as of June 5, 2009 (as amended, modified or supplemented from time to time in accordance therewith, the “**Base Indenture**” and, as amended, modified and supplemented by the Fourteenth Supplemental Indenture dated as of March 24, 2020, the “**Indenture**”) by and between the Issuer and the Trustee, as trustee. This Note is a “Global Security” and the Notes are “Global Securities” under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the “**TIA**”) as in effect on the date on which the Indenture was qualified under the TIA. Notwithstanding anything to the contrary herein, the

Table of Contents

Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and multiples of \$1,000 thereafter. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Securities of all series affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected thereby (voting together as a single class). The Indenture contains provisions permitting the Holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding with respect to which an Event of Default under the Indenture shall have occurred and be continuing (voting together as a single class), on behalf of the Holders of all Securities of such affected series, to waive, with certain exceptions, such past default with respect to all such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the Securities of each series at the time Outstanding affected thereby (voting together as a single class), on behalf of the Holders of all Securities of such affected series, to waive compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

6. Optional Redemption.

Beginning on or after September 24, 2020, the Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to maturity on at least 10 days, but not more than 60 days, prior notice electronically delivered or mailed to each registered Holder of the Notes (the “**Redemption Date**”).

If any or all of the Notes are redeemed on or after December 22, 2029, the Redemption Price (calculated by the Company) will be equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest to, but not including, the Redemption Date for such Notes.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date, and accrued and unpaid interest, if any, on such Notes. In rendering our opinion, we have assumed the legal capacity of individuals, that the signatures on all documents not executed in our presence are genuine, that all documents submitted to us as originals are authentic, that all documents submitted to us as reproduced or certified copies conform to the original documents, that all corporate records of the Company provided to us for review are accurate and complete, that each party to the documents referred to above (other than the Company) is duly qualified to engage in the transactions contemplated by such documents and has the requisite power and authority to perform its obligations thereunder, that each document referred to above has been duly authorized by, and constitutes the valid and binding obligation of, each party thereto (other than the Company), enforceable against such party (other than the Company) in accordance with its terms, and that each person or entity that has any right to enforce any document referred to above against the Company has filed any tax returns and paid any taxes required under the laws of the State of California. We have further assumed the due execution and delivery of all documents, where due execution and delivery are prerequisites to the enforceability thereof.

As to matters of fact material to our opinion, we have relied solely upon our review of the documents referred to above. We have assumed that the recitals of fact set forth in such documents are true, complete and correct on the date hereof. We have not independently verified any factual matters or the validity of any assumptions made by us in this letter and express no opinion with respect to such factual matters and disclaim any implication or inference as to the reasonableness of any such assumption. In rendering this opinion, we have considered only the Delaware General Corporation Law (including the statutory provisions, as well as all applicable provisions of the Delaware Constitution, and reported judicial decisions interpreting these laws) and those laws, statutes, rules and regulations of the State of California (exclusive of municipal and other local laws) presently in effect that, in our experience, are normally applicable to transactions of the type contemplated by the documents referred to above, and we express no opinion with respect to choice of law or conflicts of law. We express no opinion whatsoever as to the compliance or noncompliance by any person with antifraud or information delivery provisions of state or federal laws, rules and regulations, and no inference regarding such compliance or noncompliance may be drawn from any opinion in this letter.

Based upon the foregoing, and subject to the qualifications, limitations and exceptions set forth herein, and assuming, without expressing any opinion with respect thereto, that the Notes have been duly authenticated and delivered in accordance with the Indenture, and have been issued, sold and delivered against payment of the purchase price therefor in accordance with the Underwriting Agreement and the Indenture, we are of the opinion that the Notes constitute

binding obligations of the Company, except as the binding nature of the same may be limited by one or more of the Stated Exceptions (as defined below).

Our opinion in the preceding paragraph is subject to and limited by the effects of each of the following (collectively, the “**Stated Exceptions**”): (i) applicable federal or state bankruptcy, insolvency, reorganization, arrangement, moratorium, fraudulent transfer or conveyance, and other laws or court decisions relating to or affecting the rights of creditors; (ii) equitable principles of general applicability (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, equitable subordination, and the possible unavailability of specific performance or injunctive relief), regardless of whether considered in a proceeding in equity or at law or whether codified by statute; (iii) California judicial decisions which have held that certain provisions, including without limitation those providing for the acceleration of indebtedness upon the occurrence of specified events, are unenforceable under circumstances where it cannot be demonstrated that the enforcement of such provisions (A) is reasonably necessary for the protection of the party seeking enforcement, (B) has been undertaken in good faith under the circumstances then existing, and (C) is commercially reasonable; (iv) limitations on the enforceability of indemnification, release, contribution, exculpatory or nonliability provisions under federal or state securities laws, under Sections 1542, 1543 and 2772-78 of the California Civil Code, and under any other applicable statute or court decisions, including, without limitation, the effect of California statutes and cases applying such statutes which have denied enforcement of indemnification agreements against the indemnitee’s negligence, wrongdoing or violation of law; (v) the potential to vary the provisions of an unambiguous agreement on the basis of parol evidence; (vi) the unenforceability, under certain circumstances, of provisions which provide for penalties, liquidated damages, acceleration of future amounts due (other than principal) without appropriate discount to present value, prepayment charges, late charges, additional interest in the event of a default or fees or costs related to such charges; (vii) the unenforceability, under certain circumstances, of provisions to the effect that rights or remedies are not exclusive, that every right or remedy is cumulative and may be exercised in addition to or with any other right or remedy, or that the election of some particular remedy or remedies does not preclude recourse to one or another remedy; (viii) the unenforceability of provisions prohibiting waivers that are not in writing to the extent that Section 1698 of the California Civil Code (or similar provisions of other applicable laws) permits oral modifications that have been performed; (ix) the unenforceability, under certain circumstances, of provisions which purport to appoint a party as attorney-in-fact or agent for an adverse party; (x) the unenforceability, under certain circumstances, of provisions which purport to govern forum selection, venue, personal jurisdiction or subject matter jurisdiction; (xi) the unenforceability, under certain circumstances, of provisions that contain prospective waivers of (A) vaguely or broadly stated rights, (B) unknown future rights, (C) the benefits of statutory, regulatory or constitutional rights, unless and to the extent the statute, regulation or constitution explicitly permits such waiver, (D) unknown future defenses, (E) rights to damages and (F) the right to a trial by jury; (xii) the effect of Section 1717, et seq. of the California Civil Code and judicial decisions thereunder on provisions which purport to require the award of attorneys’ fees,
