Who We Are

We are champions of investors and those who serve them.

From day one Schwab challenged the status quo by searching for ways to offer more value and a better experience to our clients. We're purpose driven.

We champion every client's goals with passion and integrity, as if they were our own. We truly believe investing for the future is one of the most important things people can do for themselves and their families, as well as the health of our communities and our society.

Our values are a way of life.

How we work is just as meaningful as what we do, including:

- Earning our clients' trust by treating them ethically, empathetically, and proactively
- Constantly improving the client experience through innovation

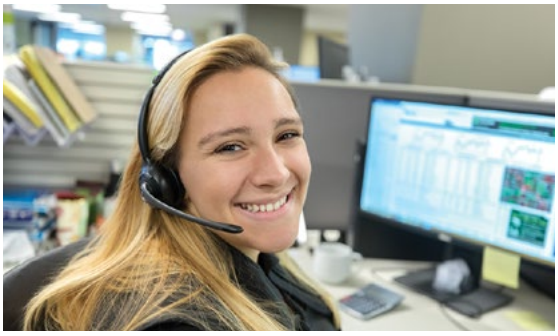
The Schwab Way

Schwab was built around a simple idea: put the client first. We work hard to make our clients' goals the focus of everything we do by offering a better, more modern way for them to build and manage their wealth.



Service is the heart of who we are.

We always try to look at the world through our clients' eyes because we believe our business should be about service, not sales. In fact, if for any reason clients aren't happy with the service they get, we'll refund the appropriate fees and work to make things right. Learn more about the Satisfaction Guarantee.[1]
