

## INSIDE THE MINDSET OF CRYPTO INVESTORS

**DWIGHT:** And I get, you know, the original hesitation and the whole, it's virtual—that means not real.

But I think we've passed the—we've crossed the Rubicon, if you will. It's here. It's not going away, at least I don't think it is.

And so if people like me wanna buy it, they should be able to readily do so.
